INSTRUCTIONS FOR THE USE AND STORAGE OF THE PRODUCT
Always make sure the device is not damaged or leaking before using it. Store the product with e-liquid in a dark and dry place. Store the product at a temperature between 10-30°C and out of direct sunlight.
Do not refrigerate, freeze, heat or store the product at a temperature above 30°C.
Always keep the device between 0°C and 25°C for optimal performance. Exposure to extreme temperatures may reduce the capacity and duration of the battery.
Avoid exposing the device to a temperature above 35°C as this may cause permanent damage.

Suitable Temperature & Humidity	
Charging	0°C ~ +45°C
Usage	-10°C ~ +60°C
Humidity	10% ~ 90%

The device must be stored and used in a dry environment. It must not be exposed to rain, high humidity or any kind of liquid that could damage the electronic circuits. Dispose of the packaging and its contents in accordance with national and local regulations.

POSSIBLE ADVERSE EFFECTS
First-time e-cigarette users may experience irritation of the mouth, a dry throat or cough. If the symptoms persist for more than 48 hours or become

背面

severe, visit a general practitioner and report the incident details. Nicotine withdrawal effects may also occur if you use inadequate strength to satisfy your cravings. These may include irritability, aggression, feeling low, anxiety, restlessness, poor concentration, increased appetite, urges to smoke, disturbed sleep or a lowering of heart rate.

ADDICTIVENESS
This product contains nicotine which is a highly addictive substance. It is not recommended for use by non-smokers. No other ingredient in this product, aside from nicotine, is known to be addictive.

TOXICITY
This product contains nicotine which may produce toxic effects if consumed orally, especially in infants or children. If it was swallowed, visit your general practitioner with this leaflet immediately. Nicotine may produce an allergic reaction.

CONTRA-INDICATIONS
The consumption of this product is not recommended for people suffering from heart disease, high blood pressure, diabetes, liver or kidney problems, long-term throat disease or those taking medication for asthma. The consumption of this product is not suitable for those who are hypersensitive to nicotine or any other relevant ingredients.

USE
This device is a closed system and nonrefillable, therefore please do not open, tamper or attempt to open or refill this device. Do not break or crush the device. It is a single-use-only device and once the liquid is finished, it should no longer be used.

INDICATIONS FOR USE

Remove the sealing sticker

Connect the pod to the battery device

Enjoy the vaping
